

TV Santa Barbara

Advancing community through media

TV Santa Barbara's Mission is to empower people to make media that matters. We do this by providing residents with the knowledge, resources, and tools to create their own original programming.

Television by the People for the People

TV Santa Barbara operates **two**
noncommercial independent channels, **17** and **71**,
which carry original local programming.

By providing equipment and facilities for
individuals and organizations to come together,
TVSB creates pathways to collaborate, to foster
relationships, and to strengthen our community.

24/7 **HYPER LOCAL,**
COMMERCIAL FREE
PROGRAMMING

Local programming on TVSB can be viewed on any device at any time through Roku, Amazon Fire, YouTube, On-Demand and via the Apple iOS app on iPhones.

TVSB's Media Center boasts a full featured 600-square foot high-definition production studio and a 300-square foot green screen studio with the capacity to use virtual sets and bring in remote guests. TV Santa Barbara's editing bays provide members with access to both Final Cut Pro and Premiere.
